about the AUTHORS

Steven L. McShane

Steven L. McShane is adjunct professor at the Curtin Graduate School of Business (Australia) and the Peter B. Gustavson School of Business, University of Victoria (Canada). He previously held the positions of professor at Simon Fraser University Business School in Canada and professor of management at the University of Western Australia Business School. He currently teaches in the Shanghai Jiao Tong University IMBA program. Early in his career, Steve taught at Queen's University in Canada. Steve has received awards for his teaching quality and innovation, and receives high ratings from students in Perth, Shanghai, Singapore, Manila, and other cities where he has taught. He is also a popular visiting speaker, having given dozens of invited talks and seminars in recent years to faculty and students in the United States, China, Canada, Malaysia, India, and other countries.

Steve earned his PhD from Michigan State University, where he specialized in organizational behavior and labor relations. He also holds a Master's of Industrial Relations from the University of Toronto and an undergraduate degree from Queen's University in Canada. Steve is a past president of the Administrative Sciences Association of Canada (the Canadian equivalent of the Academy of Management) and served as director of graduate programs in Simon Fraser University's business faculty. He has conducted executive programs with Nokia, TÜV-SÜD, Wesfarmers Group, Main Roads WA, McGraw-Hill, ALCOA World Alumina Australia, and many other organizations.

Along with coauthoring *Organizational Behavior*, Eighth Edition, Steve is lead coauthor of *Canadian Organizational Behaviour*, Ninth Edition (2016), *Organisational Behaviour: Asia Pacific*, Fifth Edition (2016), and *M: Organizational Behavior*, Third Edition (2016). He is also coauthor of editions or translations of his organizational behavior books in China, India, Quebec, Taiwan, and Brazil. Steve has published several dozen articles and conference papers on workplace values, training transfer, organizational learning, exit–voice–loyalty, employee socialization, wrongful dismissal, media bias in business magazines, and other diverse topics.

Steve enjoys spending his leisure time hiking, swimming, body board surfing, canoeing, skiing, and traveling with his wife and two daughters.

Mary Ann Von Glinow

Dr. Von Glinow is a Knight Ridder Eminent Scholar Chair in International Management at Florida International University and is senior editor for the *Journal of International Business Studies (JIBS)*. She served as 2010 to 2012 president of the Academy of International Business (AIB) and the 1994–1995 president of the Academy of Management (AOM). Previously on the Marshall School faculty of the University of Southern California, she has an MBA and a PhD in management science from Ohio State University, and is a Fellow of the Academy of Management, the Academy of International Business, and the Pan-Pacific Business Association. She sits on 13 editorial review boards and

numerous international panels and teaches in executive programs in Latin America, Asia, and the United States.

Dr. Von Glinow has authored over 100 journal articles and 13 books, most of which have been translated into Chinese, Hindi, and Spanish. Her book on organizational learning capability won a Gold Book Award from the Ministry of Economic Affairs in Taiwan in 2002. She is the 2005 recipient of the Academy of Management's Distinguished Service Award, one of the highest honors bestowed by the Academy.

Mary Ann has consulted widely and is on the board of directors of several organizations, including the advisory board to Volvo-Geely in China. She is actively involved in several animal welfare organizations and received the 1996 Humanitarian Award of the Year from Miami's Adopt-a-Pet.

INTRODUCTION 2

1

CHAPTER 1 Introduction to the Field of Organizational Behavior 2

Welcome to the Field of Organizational Behavior! 4

The Field of Organizational Behavior 4

- Historical Foundations of Organizational Behavior 5
- Why Study Organizational Behavior? 6

Contemporary Developments Facing Organizations 8

- Technological Change 8
- Globalization 9
- Emerging Employment Relationships 9

Global Connections 1.1: From Commute to Telecommute in Japan 10

- Increasing Workforce Diversity 11

Connect Self-Assessment 1.1: Are You a Good Telecommuter? 11

- The Systematic Research Anchor 14

Anchors of Organizational Behavior Knowledge 14

Debating Point: Is There Enough Evidence to Support Evidence-Based Management? 15

- The Multidisciplinary Anchor 15
- The Contingency Anchor 16
- The Multiple Levels of Analysis Anchor 16

Perspectives of Organizational Effectiveness 16

- Open Systems Perspective 17

Global Connections 1.2: Zara's Open Systems Thinking 18

- Organizational Learning Perspective 19

Global Connections 1.3: Having a Hoot with Organizational Learning 21

- High-Performance Work Practices Perspective 21
- Stakeholder Perspective 22

Global Connections 1.4: 21 Days of Y'ello Care 24

- Connecting the Dots: An Integrative Model of Organizational Behavior 24

The Journey Begins 26

- Chapter Summary 26
- Key Terms 27
- Critical Thinking Questions 27

Case Study: Ancol Corp. 28

Web Exercise: Diagnosing Organizational Stakeholders 28

Class Exercise: It All Makes Sense? 29

INDIVIDUAL BEHAVIOR AND PROCESSES 30

2

CHAPTER 2 Individual Behavior, Personality, and Values 30

MARS Model of Individual Behavior and Performance 32

- Employee Motivation 32
- Ability 33
- Role Perceptions 34

Global Connections 2.1: Iceland Foods Takes MARS to Success 34

- Situational Factors 35

Types of Individual Behavior 35

- Task Performance 36
- Organizational Citizenship 36
- Counterproductive Work Behaviors 37
- Joining and Staying with the Organization 37
- Maintaining Work Attendance 37

Personality in Organizations 38

- Personality Determinants: Nature versus Nurture 38
- Five-Factor Model of Personality 39

Connect Self-Assessment 2.1: What Is Your Big Five Personality? 40

Connect Self-Assessment 2.2: Are You Introverted or Extroverted? 40

Connect Self-Assessment 2.3: Can You Identify Personality Traits from Blogging Words? 42

- Jungian Personality Theory and the Myers-Briggs Type Indicator 42

Connect Self-Assessment 2.4: Are You a Sensing or Intuitive Type? 43

Debating Point: Should Companies Use Personality Tests to Select Job Applicants? 44

Values in the Workplace 45

Types of Values 45

Connect Self-Assessment 2.5: What Are Your Dominant Values? 47

Values and Individual Behavior 47

Values Congruence 48

Global Connections 2.2: Values Congruence Generates Bags of Enthusiasm and Intent 48

Ethical Values and Behavior 48

Three Ethical Principles 49

Moral Intensity, Moral Sensitivity, and Situational Influences 49

Global Connections 2.3: Alcoa Executive Sets Ethical Standard in Russia 50

Supporting Ethical Behavior 51

Values across Cultures 51

Individualism and Collectivism 52

Connect Self-Assessment 2.6: How Much Do You Value Individualism and Collectivism? 53

Power Distance 53

Global Connections 2.4: Cross-Cultural Hiccups at Beam Suntory 53

Connect Self-Assessment 2.7: What Is Your Level of Power Distance? 54

Uncertainty Avoidance 54

Achievement-Nurturing Orientation 54

Caveats about Cross-Cultural Knowledge 54

Cultural Diversity in the United States 55

Chapter Summary 55

Key Terms 56

Critical Thinking Questions 56

Case Study: SNC-Lavalin Group Inc. 57

Class Exercise: Test Your Knowledge of Personality 58

Class Exercise: Personal Values Exercise 60

Team Exercise: Ethics Dilemma Vignettes 60

CHAPTER 3 Perceiving Ourselves and Others in Organizations 62

Self-Concept: How We Perceive Ourselves 64

Self-Concept Complexity, Consistency, and Clarity 64

Connect Self-Assessment 3.1: How Much Does Work Define Your Self-Concept? 65

Self-Enhancement 66

Self-Verification 67

Self-Evaluation 68

Connect Self-Assessment 3.2: How Much General Self-Efficacy Do You Have? 68

Connect Self-Assessment 3.3: What Is Your Locus of Control? 69

The Social Self 69

Self-Concept and Organizational Behavior 70

Perceiving the World around Us 70

Global Connections 3.1: Confirmation Bias Leads to False Arrests 72

Perceptual Organization and Interpretation 72

Connect Self-Assessment 3.4: How Much Perceptual Structure Do You Need? 72

Specific Perceptual Processes and Problems 73

Stereotyping in Organizations 73

Global Connections 3.2: Perceptual Barriers to Women on Corporate Boards 76

Attribution Theory 77

Self-Fulfilling Prophecy 79

Other Perceptual Effects 80

Improving Perceptions 81

Awareness of Perceptual Biases 81

Improving Self-Awareness 81

Debating Point: Do Diversity Programs Actually Reduce Perpetual Biases? 82

Meaningful Interaction 83

Connect Self-Assessment 3.5: How Strong Is Your Perspective Taking (Cognitive Empathy)? 84

Connect Self-Assessment 3.6: How Strong Is Your Emotional Empathy? 84

Global Mindset: Developing Perceptions across Borders 84

Global Connections 3.3: Encouraging a Global Mindset in a Global Business 85

Developing a Global Mindset 85

Chapter Summary 86

Key Terms 87

Critical Thinking Questions 87

Case Study: Hy Dairies, Inc. 88

Web Exercise: Diversity and Stereotyping on Display in Corporate Websites 89

Team Exercise: Personal and Organizational Strategies for Developing a Global Mindset 89

CHAPTER 4 Workplace Emotions, Attitudes, and Stress 90

Emotions in the Workplace 92

Connect Self-Assessment 4.1: What Is Your Emotional Personality? 92

Types of Emotions 92

Emotions, Attitudes, and Behavior 93

Cognitive Dissonance 96

Debating Point: Is Having Fun at Work Really a Good Idea? 97

Emotions and Personality 97

Managing Emotions at Work 98

Emotional Display Norms across Cultures 98

Emotional Dissonance 98

Global Connections 4.1: Learning to Express Positive Emotions at Aeroflot 99**Emotional Intelligence 99****Connect Self-Assessment 4.2: How Well Do You Recognize and Regulate Emotions? 100**

Emotional Intelligence Outcomes and Development 101

Job Satisfaction 102

Job Satisfaction and Work Behavior 103

Job Satisfaction and Performance 104

Job Satisfaction and Customer Satisfaction 104

Job Satisfaction and Business Ethics 106

Organizational Commitment 106**Connect Self-Assessment 4.3: How Committed Are You to Your School? 106**

Consequences of Affective and Continuance Commitment 106

Building Organizational Commitment 107

Work-Related Stress and Its Management 108**Connect Self-Assessment 4.4: How Stressed Are You? 109**

General Adaptation Syndrome 109

Consequences of Distress 109

Stressors: The Causes of Stress 110

Global Connections 4.2: Chronic Work Overload in China 111

Individual Differences in Stress 112

Connect Self-Assessment 4.5: Are You a Workaholic? 112

Managing Work-Related Stress 113

Connect Self-Assessment 4.6: How Do You Cope with Stressful Situations? 115

Chapter Summary 115

Key Terms 116

Critical Thinking Questions 116

Case Study: Diana's Disappointment: The Promotion Stumbling Block 117**Class Exercise: Strengths-Based****Coaching 118****Team Exercise: Ranking Jobs on Their Emotional Labor 119****CHAPTER 5 Foundations of Employee Motivation 120****Global Connections 5.1: DHL Express Employees Get Engaged 122****Employee Engagement 122****Employee Drives and Needs 123**

Individual Differences in Needs 124

Maslow's Needs Hierarchy Theory 124

Connect Self-Assessment 5.1: How Strong Are Your Growth Needs? 126

Intrinsic and Extrinsic Motivation 126

Expectancy Theory in Practice 131

Organizational Behavior Modification and Social Cognitive Theory 133

Organizational Behavior Modification 133

Global Connections 5.2: AirBaltic Motivates Employee Involvement and Learning with Gamification 135

Social Cognitive Theory 136

Goal Setting and Feedback 137**Connect Self-Assessment 5.3: What Is Your Goal Orientation? 138**

Characteristics of Effective Feedback 138

Sources of Feedback 139

Evaluating Goal Setting and Feedback 140

Organizational Justice 140

Equity Theory 140

Debating Point: Does Equity Motivate More Than Equality? 141**Connect Self-Assessment 5.4: How Sensitive Are You to Inequities? 143**

Procedural Justice 144

Chapter Summary 144

Key Terms 145

Critical Thinking Questions 146

Case Study: Predicting Harry's Work Effort 146**Case Study: Cincinnati Super Subs 147****Class Exercise: Needs Priority Exercise 148****Class Exercise: The Learning Exercise 149****Team Exercise: Bonus Decision Exercise 150**

CHAPTER 6 Applied Performance Practices 152

The Meaning of Money in the Workplace 154

Connect Self-Assessment 6.1: What Is Your Attitude toward Money? 154

Financial Reward Practices 155

Membership- and Seniority-Based Rewards 155

Global Connections 6.1: Mega Reward for Tiens Group Employees 156

Job Status–Based Rewards 156

Competency-Based Rewards 157

Performance-Based Rewards 157

Improving Reward Effectiveness 159

Debating Point: Is It Time to Ditch the Performance Review? 160

Link Rewards to Performance 160

Ensure That Rewards Are Relevant 161

Use Team Rewards for Interdependent Jobs 161

Ensure That Rewards Are Valued 161

Watch Out for Unintended Consequences 161

Global Connections 6.2: When Rewards Go Wrong 162

Job Design Practices 162

Job Design and Work Efficiency 162

Scientific Management 163

Problems with Job Specialization 164

Job Design and Work Motivation 165

Core Job Characteristics 166

Critical Psychological States 166

Individual Differences 167

Social and information Processing Job Characteristics 167

Job Design Practices That Motivate 168

Job Rotation 168

Job Enlargement 169

Job Enrichment 169

Empowerment Practices 170

Connect Self-Assessment 6.2: Are You Empowered as a Student? 170

Supporting Empowerment 171

Global Connections 6.3: Svenska Handelsbanken's Branch-Level Empowerment 171

Self-Leadership Practices 172

Self-Leadership Strategies 172

Connect Self-Assessment 6.3: How Well Do You Practice Self-Leadership? 174

Effectiveness of Self-Leadership 174

Personal and Situational Predictors of Self-Leadership 175

Self-Leadership 175

Connect Self-Assessment 6.4: Do You Have a Proactive Personality? 175

Chapter Summary 175

Key Terms 176

Critical Thinking Questions 176

Case Study: Yakkatech, Inc. 177

Team Exercise: Is Student Work Enriched? 178

CHAPTER 7 Decision Making and Creativity 180

Rational Choice Decision Making 182

Rational Choice Decision-Making Process 182

Problems with Rational Choice Decision Making 184

Identifying Problems and Opportunities 184

Problems with Problem Identification 184

Identifying Problems and Opportunities More Effectively 186

Searching for, Evaluating, and Choosing Alternatives 186

Problems with Goals 187

Problems with Information Processing 187

Problems with Maximization 189

Evaluating Opportunities 190

Emotions and Making Choices 190

Intuition and Making Choices 191

Connect Self-Assessment 7.1: What Is Your Preferred Decision-Making Style? 192

Making Choices More Effectively 192

Implementing Decisions 193

Evaluating Decision Outcomes 194

Escalation of Commitment 194

Global Connections 7.1: Escalation of Commitment Produces a White Elephant in Queensland 195

Evaluating Decision Outcomes More Effectively 195

Creativity 196

The Creative Process 196

Connect Self-Assessment 7.2: How Well Do You Engage in Divergent Thinking? 197

Characteristics of Creative People 198

Connect Self-Assessment 7.3: Do You Have a Creative Personality? 199

Organizational Conditions Supporting Creativity 199

Activities That Encourage Creativity 200

Employee Involvement in Decision Making 202

Benefits of Employee Involvement 202

Global Connections 7.2: Brasidata, the Ideas Company 203

Contingencies of Employee Involvement 203

Debating Point: Should Organizations Practice Democracy? 204

Chapter Summary 205

Key Terms 206

Critical Thinking Questions 206

Class Exercise: The Hopping Orange 211

Class Exercise: Creativity Brainbusters 211

© Industrial Molds

TEAM PROCESSES 212**CHAPTER 8 Team Dynamics 212****Teams and Informal Groups 214**

Informal Groups 215

Advantages and Disadvantages of Teams 216

The Challenges of Teams 217

A Model of Team Effectiveness 219

Organizational and Team Environment 219

Global Connections 8.1: European Firms Enhance Team Performance with Obeya Rooms 220**Team Design Elements 220**

Task Characteristics 220

Team Size 222

Team Composition 222

Connect Self-Assessment 8.1: Are You a Team Player? 225**Team Processes 225**

Team Development 225

Connect Self-Assessment 8.2: What Team Roles Do You Prefer? 227

Team Norms 229

Team Cohesion 230

Global Connections 8.2: Communal Meals Build Team Cohesion 231

Team Trust 232

Connect Self-Assessment 8.3: How Trusting Are You? 233**Self-Directed Teams 233****Global Connections 8.3: Buurtzorg Nederland's Self-Directed Nursing Teams 234**

Success Factors for Self-Directed Teams 235

Virtual Teams 235

Success Factors for Virtual Teams 235

Debating Point: Are Virtual Teams More Trouble Than They're Worth? 236**Team Decision Making 237**

Constraints on Team Decision Making 237

Improving Creative Decision Making in Teams 238

Chapter Summary 240

Key Terms 241

Critical Thinking Questions 241

Case Study: Conifer Corp. 241

Team Exercise: Team Tower Power 243

Team Exercise: Human Checkers 243

Team Exercise: Survival on the Moon 244

CHAPTER 9 Communicating in Teams and Organizations 246**The Importance of Communication 248****A Model of Communication 250**

Influences on Effective Encoding and Decoding 250

Communication Channels 251

Internet and Digital Communication 252

Problems with Email and Other Digital Message Channels 252

Workplace Communication through Social Media 253

Global Connections 9.1: Bosch Employees Improve Collaboration through Social Media 255

Nonverbal Communication 255

Choosing the Best Communication Channel 257

Synchronicity 257

Social Presence 258

Social Acceptance 258

Media Richness 258

Global Connections 9.2: Multicommunicating across the Pacific 261

Communication Channels and Persuasion 261

Communication Barriers (Noise) 262

Information Overload 263

Cross-Cultural and Gender Communication 264**Global Connections 9.3: Politely Waiting for Some Silence 265**

Nonverbal Differences across Cultures 265

Gender Differences in Communication 265

Improving Interpersonal Communication 266

Getting Your Message Across 266

Active Listening 267

Connect Self-Assessment 9.1: Are You an Active Listener? 268

Improving Communication throughout the Hierarchy 268

- Workspace Design 268
- Internet-Based Organizational Communication 268
- Direct Communication with Top Management 269

Communicating through the Grapevine 270

- Grapevine Characteristics 270
- Grapevine Benefits and Limitations 270

Debating Point: Should Management Use the Grapevine to Communicate to Employees? 271

- Chapter Summary 271
- Key Terms 272
- Critical Thinking Questions 272

Case Study: Silver Lines: Challenges in Team Communication 273

Team Exercise: Cross-Cultural Communication Game 275

CHAPTER 10 Power and Influence in the Workplace 276

The Meaning of Power 278

Sources of Power in Organizations 280

- Legitimate Power 280

Global Connections 10.1: Deference to Authority Leads People to the Extreme 281

- Reward Power 282
- Coercive Power 282
- Expert Power 282
- Referent Power 282

Contingencies of Power 284

- Substitutability 284
- Centrality 285

Debating Point: How Much Power Do CEOs Really Possess? 285

- Visibility 286
- Discretion 286

The Power of Social Networks 286

Connect Self-Assessment 10.1: Do You Have a Guanxi Orientation? 287

- Social Capital and Sources of Power 287

Global Connections 10.2: Energy Company Improves Productivity through Social Networks 287

- Gaining Power through Social Networks 288

Consequences of Power 290

Influencing Others 290

Connect Self-Assessment 10.2: What Is Your Approach to Influencing Coworkers? 291

- Types of Influence Tactics 291
- Consequences and Contingencies of Influence Tactics 295

Organizational Politics 296

Connect Self-Assessment 10.3: How Politically Charged Is Your School? 296

Global Connections 10.3: Playing Politics with the Vacation Schedule 297

- Minimizing Organizational Politics 297

Connect Self-Assessment 10.4: How Machiavellian Are You? 298

- Chapter Summary 298
- Key Terms 299
- Critical Thinking Questions 299

Case Study: Resonus Corporation 300

Team Exercise: Deciphering the Network 301

Team Exercise: Managing Your Boss 301

CHAPTER 11 Conflict and Negotiation in the Workplace 302

The Meaning and Consequences of Conflict 304

- Is Conflict Good or Bad? 304

The Emerging View: Task and Relationship Conflict 306

- Separating Task from Relationship Conflict 307

Conflict Process Model 308

Structural Sources of Conflict in Organizations 308

- Incompatible Goals 309
- Differentiation 309
- Interdependence 309
- Scarce Resources 310
- Ambiguous Rules 310
- Communication Problems 310

Interpersonal Conflict-Handling Styles 311

Connect Self-Assessment 11.1: What Is Your Preferred Conflict-Handling Style? 312

- Choosing the Best Conflict-Handling Style 312
- Cultural and Gender Differences in Conflict-Handling Styles 314

Structural Approaches to Conflict Management 314

- Emphasizing Superordinate Goals 314
- Reducing Differentiation 315
- Improving Communication and Mutual Understanding 315

Global Connections 11.1: L'Oréal Canada Improves Mutual Understanding across Generations 316

- Reducing Interdependence 316
- Increasing Resources 317
- Clarifying Rules and Procedures 317

Third-Party Conflict Resolution 317

- Choosing the Best Third-Party Intervention Strategy 318

Resolving Conflict through Negotiation 319

- Distributive versus Integrative Approaches to Negotiation 319
- Preparing to Negotiate 320
- The Negotiation Process 321
- The Negotiation Setting 324
- Gender and Negotiation 325

Chapter Summary 326

Key Terms 327

Critical Thinking Questions 327

Case Study: Elaine's Challenging Experience 328

Class Exercise: The Contingencies of Conflict Handling 329

Team Exercise: Kumquat Conflict Role Play 332

CHAPTER 12 Leadership in Organizational Settings 334

What Is Leadership? 336

- Shared Leadership 336

Global Connections 12.1: EllisDon: The Leaderful Construction Company 337

Transformational Leadership Perspective 337

- Develop and Communicate a Strategic Vision 338

Global Connections 12.2: Lasvit's Vision of Breathtaking Light and Design 338

- Model the Vision 340
- Encourage Experimentation 340
- Build Commitment toward the Vision 340

Connect Self-Assessment 12.1: What Are Your Transformational Leadership Tendencies? 340

- Transformational Leadership and Charisma 341

Global Connections 12.3: Tencent's Uncharismatic Transformational Leader 341

- Evaluating the Transformational Leadership Perspective 342

Managerial Leadership Perspective 342

- Task-Oriented and People-Oriented Leadership 343

Connect Self-Assessment 12.2: What Is Your Preferred Managerial Leadership Style? 344

- Servant Leadership 344
- Path-Goal Leadership Theory 345
- Other Managerial Leadership Theories 347
- Leadership Substitutes 349

Implicit Leadership Perspective 349

- Prototypes of Effective Leaders 349
- The Romance of Leadership 350

Global Connections 12.4: Semco CEO Warns against the Romance of Charismatic Leadership 350

Connect Self-Assessment 12.3: Do Leaders Make a Difference? 350

Glossary/Subject Index 128

Welcome to the exciting world of organizational behavior! Knowledge is replacing infrastructure. Social media and virtual teams are transforming the way employees work together. Values and self-leadership are replacing command-and-control management. Companies are looking for employees with emotional intelligence and effective teamwork skills, not just technical smarts.

Organizational Behavior, Eighth Edition, is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Linking Theory with Reality

Every chapter of *Organizational Behavior* is filled with examples to make OB knowledge more meaningful as well as to illuminate the relevance and excitement of this field. These stories about real people and organizations translate academic theories into useful knowledge and real-life applications. For example, we describe how employees at Airbnb, the San Francisco–based online vacation accommodation company, are intrinsically motivated through autonomy and personal growth; how John Dean, executive chair of Hawaii’s Central Pacific Bank, helped his executive team work together more effectively by learning about each other’s personalities; how easyJet CEO Carolyn McCall revived the discount airline through transformational leadership behaviors and effective leadership skills; how police forces in San Diego and Baltimore are improving officers’ interpersonal skills through emotional intelligence training; and how David Sacks (cofounder of Yammer and one of PayPal’s earliest executives) applied change leadership practices to transform Silicon Valley start-up Zenefits into a more compliance-driven company.

These real-life stories, which the authors personally selected and incorporated into this book, appear in many forms. Every chapter is filled with photo captions and in-text anecdotes about work life. *Global Connections* features “connect” OB concepts with events in real-world companies around the planet. Case studies in each chapter also connect OB concepts to the emerging workplace realities. These anecdotes and detailed descriptions discuss large and small organizations around the world and in a wide range of industries.

Global Focus

From its first edition, this book has been crafted around the reality of increasing globalization. The Eighth Edition continues this global focus by introducing the theme in the first chapter and by discussing global and cross-cultural issues in many other chapters. Furthermore, every chapter includes truly global examples, not just how American companies operate in other parts of the world. For example, we describe how New Zealand drinks manufacturer Frucor Beverages maintains a highly engaged workforce; how China’s e-commerce giant Alibaba Group has nurtured a strong organizational culture; how Buurtzorg Nederland organized its 8,000 professionals into self-directed teams to become one of the world’s best-managed community health care organizations; how Infosys, one of India’s leading technology companies, is improving employee creativity and decision making through design thinking principles and practices; how the president of Panasonic Corporation created an urgency for change at the Japanese conglomerate; and how trivago, the German-based hotel metasearch company, puts considerable resources into the employee socialization process.

Contemporary Theory Foundation

Vivid real-world examples and practices are valuable only if they are connected to good theory. *Organizational Behavior* has developed a reputation for its solid foundation in contemporary and classic research and writing. This evidence-based foundation is apparent from the number and quality of literature cited in each chapter, including dozens of articles, books, and other sources. The most recent literature receives thorough coverage, resulting in what we believe is the most up-to-date organizational behavior textbook available. These references also reveal that we reach out to marketing, information management, human resource management, and other disciplines for new ideas. This book is rigorously focused on information that readers value, namely OB knowledge and practices. Consequently, with a few classic exceptions, we avoid writing a “who’s who” book; most scholars are named in the references, not in the main text.

One of the driving forces for writing *Organizational Behavior* is to provide a more responsive conduit for emerging OB knowledge to reach students, practitioners, and fellow scholars. To its credit, *Organizational Behavior* is apparently the first major OB book to discuss the full self-concept model (not just core self-evaluation), workplace emotions, social identity theory, global mindset, four-drive theory, predictors of moral intensity, specific elements of social networks, appreciative inquiry, affective events theory (but without the jargon), somatic marker hypothesis (also without the jargon), virtual teams, mindfulness in ethical behavior, Schwartz’s values model, employee engagement, learning orientation, social and information processing characteristics of job design, and several other groundbreaking topics. This edition continues this leadership by introducing the latest knowledge on design thinking, self-concept distinctiveness versus inclusion, and the four factors to consider when selecting the best communication channel.

Organizational Behavior Knowledge for Everyone

Another distinctive feature of *Organizational Behavior* is that it is written for everyone in organizations, not just managers. The philosophy of this book is that everyone who works in and around organizations needs to understand and make use of organizational behavior knowledge. People throughout the organization—systems analysts, production employees, accounting professionals—are taking on more responsibilities as companies remove layers of management and give the rest of us more autonomy and accountability for our work outcomes. This book helps everyone make sense of organizational behavior, and provides the conceptual tools to work more effectively in the workplace.

Active Learning and Critical Thinking Support

We teach organizational behavior, so we understand how important it is to use a textbook that offers deep support for active learning and critical thinking. Business school accreditation associations also emphasize the importance of the learning experience, which further reinforces our attention on classroom activities. This Eighth Edition includes more than two dozen case studies in various forms and levels of complexity, as well as four dozen self-assessments, most of which have been empirically tested and validated. This book is also a rich resource for in-class activities, some of which are not available in other organizational behavior books, such as the Personal Values Exercise, Employee Involvement Cases, Deciphering the (Social) Network, Test Your Knowledge of Personality, and the Cross-Cultural Communication Game.

Changes to the Eighth Edition

Organizational Behavior, Eighth Edition, incorporates numerous improvements, thanks to reviews by dozens of organizational behavior instructors across several countries, along with our regular practice of scanning the diverse literature for new ideas that have gained sufficient evidential support. Almost every chapter in this edition has noticeable updates and revisions, but the most substantial changes have occurred in Chapter 1 (introduction to OB), Chapter 7 (decision making and creativity), Chapter 9 (communication), and Chapter 11 (conflict and negotiation).

Together with dozens of conceptual improvements, this edition replaces most examples with new real-world stories that satisfy our criteria of being recent, interesting, and relevant. Almost all of the chapter-opening case studies are new; only two opening vignettes remain from the previous edition, both of which have been updated. Most captioned photos and Global Connections features are new or updated. We have also added dozens of new in-text examples as well as several new case studies for class discussion or course assignments. A unique strength of *Organizational Behavior*, Eighth Edition (and previous editions), is that the authors personally researched and wrote all of the conceptual content, in-text examples, captioned photos, and features. This provides better integration of the knowledge and ensures that the examples are truly relevant and useful additions to the learning experience.

Here are the main conceptual improvements in *Organizational Behavior*, Eighth Edition:

- *Chapter 1: Introduction to the Field of Organizational Behavior*—This chapter has been substantially updated, revised, and reorganized from the previous edition. We have incorporated an integrated model of organizational behavior to help students visualize the relationship among the main concepts throughout this book. Technological change has been added in the section on contemporary developments facing organizations. The section on perspectives of organizational effectiveness has been streamlined and moved to the latter part of the chapter. Most topics have been rewritten, but particularly the text on the four contemporary developments, why study OB, and several aspects of organizational effectiveness.
- *Chapter 2: Individual Behavior, Personality, and Values*—Several topics in this chapter have been updated, particularly coverage of the five-factor model of personality and work performance, values and individual behavior, moral sensitivity, and cultural diversity within the United States.
- *Chapter 3: Perceiving Ourselves and Others in Organizations*—This book apparently pioneered the full model of self-concept and its relevance to organizational behavior. This edition further develops this important topic and provides new information on the opposing motives for distinctiveness and inclusion. The section on stereotyping also includes new information about stereotype threat.
- *Chapter 4: Workplace Emotions, Attitudes, and Stress*—This edition significantly revises and updates discussion on four key workplace stressors, with new writing about organizational constraints and interpersonal conflict as stressors. Other parts of this chapter received minor revision, such as discussion of attitude–behavior contingencies.
- *Chapter 5: Foundations of Employee Motivation*—New to this edition is the topic of intrinsic and extrinsic motivation, as well as the question of whether introducing extrinsic sources of motivation reduces intrinsic motivation. We have also refined the writing on four-drive theory, drives and needs, Maslow’s needs hierarchy, and feedback.
- *Chapter 6: Applied Performance Practices*—The previous edition was among the first OB books to introduce recent knowledge about the social and information

processing characteristics of jobs. This edition further refines that emerging topic. It also has updated content on the meaning of money, supporting empowerment, and self-leadership effectiveness.

- *Chapter 7: Decision Making and Creativity*—This chapter has been substantially revised and updated in several ways. The emerging topic of design thinking was briefly introduced in the previous edition, but this chapter now presents the topic fully as a set of principles and activities to improve creative decision making. Another area with substantial rewriting is the topic of problems with information processing when choosing alternatives. Several topics have also received minor updates, particularly on solution-focused problems, problems with goals, implicit favorite bias, and satisficing (problems with maximization).
- *Chapter 8: Team Dynamics*—This edition refines discussion introduced in the previous edition on the three characteristics that distinguish types of teams. It also updates and offers more detail about social loafing. This chapter incorporates task variability and analyzability (introduced in Chapter 6) as task characteristics that influence the need for teamwork. Several other topics have also been revised, such as team mental models (as part of team development), team development through team building, the team cohesion–performance relationship, and brainstorming.
- *Chapter 9: Communicating in Teams and Organizations*—This edition includes a complete revision and update on choosing the best communication medium. This topic now fully discusses four key factors (synchronicity, social presence, social acceptance, and media richness), along with their associated contingencies to communication channel selection. This edition further shifts the focus toward various forms of digital communication (less focus on email alone). It also has minor revisions on the encoding–decoding process and the benefits of enterprise social media.
- *Chapter 10: Power and Influence in the Workplace*—This chapter has a few minor changes, such as on the topic of nonsubstitutability.
- *Chapter 11: Conflict and Negotiation in the Workplace*—This edition substantially reorganizes and updates the entire section on resolving conflict through negotiation. The new or revised topics include distributive and integrative approaches to bargaining, understanding needs, bargaining zone dynamics, how BATNA increases bargaining power, the importance of listening, and strategies for making concessions. This edition also introduces recent knowledge about gender and negotiation. Elsewhere in this chapter, we update coverage on task and relationship conflict, including further clarification of these concepts, reference to process conflict, and problems resulting from relationship conflict.
- *Chapter 12: Leadership in Organizational Settings*—The previous edition substantially revised and reorganized this chapter. Aside from new examples and references, this edition has relatively minor changes, notably on the topics of communicating the vision, evaluating path–goal theory, and the personal attributes of effective leaders.
- *Chapter 13: Designing Organizational Structures*—This chapter has minor revisions, notably on span of control and on the structural contingency of diverse versus integrated environments.
- *Chapter 14: Organizational Culture*—Along with replacing most examples and updating references, this chapter has a number of subtle changes, particularly on the topics of espoused versus enacted values, content of organizational culture, types of organizational culture artifacts, the integration strategy for merging cultures, and how founders and leaders shape and strengthen culture.
- *Chapter 15: Organizational Change*—The main changes to this chapter are examples and updated literature references.

acknowledgments

Organizational behavior is a fascinating subject. It is also incredibly relevant and valuable, which becomes apparent while developing a world-class book such as *Organizational Behavior*, Eighth Edition. Throughout this project, we witnessed the power of teamwork, the excitement of creative thinking, and the motivational force of the vision that we collectively held as our aspiration. The tight coordination and innovative synergy was evident throughout this venture. Our teamwork is even more amazing when you consider that most team members on this project are scattered throughout the United States, and the lead coauthor (Steve) spends most of his time on the other side of the planet!

Executive brand manager Mike Ablassmeir led the development of *Organizational Behavior* with unwavering enthusiasm and foresight. Katie Eddy and Tracey Douglas orchestrated the daily process with superhuman skill and determination, which is particularly important given the magnitude of this revision, the pressing deadlines, and the 24-hour time zones in which we operated. Jennifer Blankenship, our photo researcher, continues to amaze us. She tracked down photos that we sought from every corner of the globe. Jessica Cuevas created a refreshing book design that elegantly incorporated the writing, exhibits, anecdotes, photos, and many other resources that we pack into this volume. We also extend our thanks to Sharon O'Donnell for superb copyediting, Christine Vaughan for leading the production process like a precision timepiece, Judy Bulin for her work on Connect, Integra for its work on the test bank, Kepos Media for its work on LearnSmart, and Necco McKinley for her excellent marketing and sales development work. Thanks to you all. This has been a truly wonderful journey!

Several dozen instructors around the world reviewed parts or all of *Organizational Behavior*, Eighth Edition, or related editions in other countries over the past few years. Their compliments were energizing, and their suggestions significantly improved the final product. The following people from U.S. colleges and universities provided the most recent feedback for improvements specifically for this edition:

Brenda Bradford
Missouri Baptist University

Tristan Davison
Daytona State College

Ruben Delgado
*California State Polytechnic University,
Pomona*

Steven Elias

Joy Smith*Elizabeth City State University***Charles Swayne***University of Wisconsin, La Crosse; Viterbo University***Meera Venkatachalam***University of New Hampshire, Durham***Marilyn Young***The University of Texas at Tyler*

We also extend our sincere thanks to Eileen Hogan for exceptional work on revision of the test bank, as well as to Judith Bulin, Linda M. Hoffman, and Todd Korol for their assistance in creating and updating the Connect and LearnSmart content. In addition, we thank the many instructors in the United States and abroad who contributed cases and exercises to this edition of *Organizational Behavior*.

Steve also extends special thanks to his students for sharing their learning experiences and assisting with the development of this organizational behavior textbook in the United States, Canada, and the Asia-Pacific region. Steve is honored to work with Mary Ann Von Glinow as well as with his other coauthors, including Kevin Tasa (Schulich School of Business, York University) and Sandra Steen (University of Regina) on the Canadian edition, and Mara Olekalns (Melbourne Business School), Alex Newman (Deakin University), and Tony Travaglione (Curtin University) on the Asia-Pacific edition. He also thanks the coauthors of other translations and adaptations. Most of all, Steve is forever indebted to his wife, Donna McClement, and to their wonderful daughters, Bryton and Madison. Their love and support give special meaning to Steve's life.

Mary Ann would also like to acknowledge the many professionals at McGraw-Hill/Irwin who have worked to make the Eighth Edition a reality. In addition, she would like to thank the many, many students who have used and hopefully enjoyed this book, so a big shout-out to all students everywhere who have used and enjoyed previous editions of this book. She would also like to thank the faculty and staff at Florida International University. Most importantly, though, Mary Ann thanks coauthor Steve McShane for his tireless efforts. Finally, Mary Ann would like to thank her family, starting with the immediate ones, Chloe, Jackson, Boomer, and Blue. She would also like to thank John, Rhoda, Lauren, Lindsay, and Christen. She also acknowledges the critical role that some very special people play in her life: Janet, Peter M., Bill, Lana, Karen, Alan, Danny, Peter W., Letty D., John D., CEK, and Jeff, Damian, Debra, Mary T., Linda C., Joanne M., and Susan RW. Thanks to you all!

supporting the learning process

AN INTERNATIONAL AUTHOR TEAM FOR THE GLOBAL EMPLOYEE

Drawing on their extensive international teaching and research experience, the authors have produced a book that is highly regarded for its global focus. Steve McShane teaches in Australia and throughout Asia, and gives talks each year to schools throughout Asia and North America. As director of the Center for International Business Education, Mary Ann Von Glinow regularly visits and conducts research in South America, China, and elsewhere around the world.

DEBATING POINTS

Debating Point boxes help students think critically and recognize that even seemingly obvious ideas have logical counterarguments. Debating Points also raise the bar by focusing on topics that are central to the world of work.

REAL-WORLD EXAMPLES BRING OB TO LIFE

Every chapter is filled with examples to make OB knowledge more meaningful and reflect the relevance and excitement of this field. Opening case studies set the stage; captioned photos depict OB concepts; and Global Connections features present more international examples of OB concepts in practice.

SELF-ASSESSMENTS

Self-assessments are an important and engaging part of the active learning process. This edition features self-assessments associated with content in every chapter, such as power-distance orientation, romance of leadership, preferred organizational structure, work centrality, sensing-intuitive type, and guanxi orientation. These self-assessments are available online in Connect with self-scoring results and written feedback.

student and instructor support materials

Organizational Behavior, Eighth Edition, includes a variety of supplemental materials to help instructors prepare and present the material in this textbook more effectively.

Online Learning Center (www.mhhe.com/mcshane8e)

The Online Learning Center provides instructors with the following teaching tools.

INSTRUCTOR'S MANUAL

This is one of the few textbooks for which the authors write the *Instructor's Manual*, ensuring that the instructor materials represent the textbook's content and support instructor needs. Each chapter includes the learning objectives, glossary of key terms, a chapter synopsis, complete lecture outline with thumbnail images of corresponding PowerPoint slides, and suggested answers to the end-of-chapter discussion questions. Also included are teaching notes for the chapter case(s), team exercises, and self-assessments. The *Instructor's Manual* also provides complete teaching notes for the additional cases.

TEST BANK AND EZ TEST

Updated for this edition, the Test Bank includes more than 2,000 multiple-choice, true/false, and essay questions. Each question identifies the relevant learning objective, Bloom's taxonomy level, AACSB standard for assurance of learning, and difficulty level.

In addition, McGraw-Hill's testing software, EZ Test, allows you to easily query for learning objectives that directly relate to the learning objectives for your course; the reporting features of EZ Test also enable you to aggregate student results, making the collection and presentation of assurance-of-learning data quick and easy. The program provides a means to create tests that are book-specific and even add your own questions. Multiple versions of a test can be created, and any test can be exported for use with course management systems such as WebCT and Blackboard or with any other course management system.

POWERPOINT PRESENTATION SLIDES

The PowerPoint slides have been prepared by the authors, allowing seamless integration between the slides and the *Instructor's Manual*. Each chapter includes more than two dozen slides, featuring key points, photographs, and figures from the text, as well as teaching tips and notes for using the slides.

Video Resources

MANAGER'S HOT SEAT

Now instructors can put students in the hot seat with access to an interactive program. Students watch real managers apply their years of experience when confronting unscripted issues. As the scenario unfolds, questions about how the manager is handling the situation pop up, forcing the student to make decisions along with the manager. At the end of the scenario, students watch a post-scenario interview with the manager, to see how their responses matched up with the manager's decisions. The Manager's Hot Seat videos are now available as assignments in Connect.

AACSB Statement

McGraw-Hill Education is a proud corporate member of AACSB International. Understanding the importance and value of AACSB accreditation, the authors of *Organizational Behavior*, Eighth Edition, recognize the curricula guidelines detailed in the AACSB standards for business accreditation by connecting selected questions in the text and/or the Test Bank to the six general knowledge and skill guidelines in the AACSB standards.

The statements contained in *Organizational Behavior*, Eighth Edition, are provided only as a guide for the users of this textbook. The AACSB leaves content coverage and assessment within the purview of individual schools, the mission of the school, and the faculty. While *Organizational Behavior* and the teaching package make no claim of any specific AACSB qualification or evaluation, we have within *Organizational Behavior* labeled selected questions according to the six general knowledge and skill areas.

Ebook Options

Ebooks are an innovative way for students to save money and to “go green.” McGraw-Hill's ebooks are typically 40% off the bookstore price. Students have the choice between an online and a downloadable CourseSmart ebook.

Through CourseSmart, students have the flexibility to access an exact replica of their textbook from any computer that has Internet service, without plug-ins or special software, via the online version, or to create a library of books on their hard drive via the downloadable version. Access to the CourseSmart ebooks lasts for one year.

Features CourseSmart ebooks allow students to highlight, take notes, organize notes, and share the notes with other CourseSmart users. Students can also search for terms across all ebooks in their purchased CourseSmart library. CourseSmart ebooks can be printed (five pages at a time).

McGraw-Hill Connect® Learn Without Limits

Connect is a teaching and learning platform that is proven to deliver better results for students and instructors.

Connect empowers students by continually adapting to deliver precisely what they need, when they need it, and how they need it, so your class time is more engaging and effective.

73% of instructors who use **Connect** require it; instructor satisfaction increases by 28% when **Connect** is required.

Connect's Impact on Retention Rates, Pass Rates, and Average Exam Scores

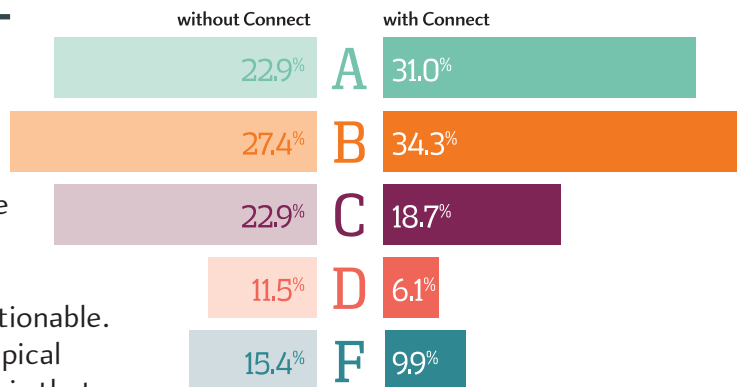

Using **Connect** improves retention rates by **19.8%**, passing rates by **12.7%**, and exam scores by **9.1%**.

Analytics

Connect Insight®

Connect Insight is Connect's new one-of-a-kind visual analytics dashboard—now available for both instructors and students—that provides at-a-glance information regarding student performance, which is immediately actionable. By presenting assignment, assessment, and topical performance results together with a time metric that is easily visible for aggregate or individual results, Connect Insight gives the user the ability to take a just-in-time approach to teaching and learning, which was never before available. Connect Insight presents data that empowers students and helps instructors improve class performance in a way that is efficient and effective.

Impact on Final Course Grade Distribution

Students can view their results for any **Connect** course.

Mobile

Connect's new, intuitive mobile interface gives students and instructors flexible and convenient, anytime-anywhere access to all components of the Connect platform.

Adaptive

THE ADAPTIVE READING EXPERIENCE DESIGNED TO TRANSFORM THE WAY STUDENTS READ

More students earn **A's** and **B's** when they use McGraw-Hill Education **Adaptive** products.

SmartBook®

Proven to help students improve grades and study more efficiently, SmartBook contains the same content within the print book, but actively tailors that content to the needs of the individual. SmartBook's adaptive technology provides precise, personalized instruction on what the student should do next, guiding the student to master and remember key concepts, targeting gaps in knowledge and offering customized feedback, and driving the student toward comprehension and retention of the subject matter. Available on tablets, SmartBook puts learning at the student's fingertips—anywhere, anytime.

Over **8 billion** questions have been answered, making McGraw-Hill Education products more intelligent, reliable, and precise.

www.mheducation.com

STUDENTS WANT
McGraw Hill Education SMARTBOOK®

of students reported **SmartBook** to be a more effective way of reading material.

of students want to use the Practice Quiz feature available within **SmartBook** to help them study.

of students reported having reliable access to off-campus wifi.

of students say they would purchase **SmartBook** over print alone.

of students reported that **SmartBook** would impact their study skills in a positive way.
